STATEMENT OF LIMITING CONDITIONS

CONTINGENT AND LIMITING CONDITIONS: The appraiser's certification that appears in this report is subject to the following conditions:

1. The appraiser will not be responsible for matters of a legal nature that affect either the subject property or the title to it. The appraiser assumes that the title is good and marketable and, therefore, will not render any opinions about the title.
2. The appraiser will not give testimony or appear in court because of this assignment unless specific arrangements to do so have been made beforehand.
3. The appraiser has noted in the report any observed adverse conditions (such as, but not limited to, needed repairs, the presence of hazardous wastes, toxic substances, pest infestation, structural problems, mechanical problems, or habitability issues) and makes no guarantees or warranties, expressed or implied, regarding any unobserved conditions. Because the appraiser is not an expert in the field of environmental hazards, pests, structural integrity or mechanical systems, this report must not be considered as an environmental assessment, pest inspection, engineering report or any other home inspection report.
4. The appraiser obtained the information, estimates, and opinions that were expressed in this report from sources that he or she considers to be reliable and believes them to be true and correct. The appraiser does not assume responsibility for the accuracy of such items furnished by other parties.
5. If the appraiser performed an exterior-only inspection of the property, certain third party data sources were relied on for information about interior and exterior physical characteristics of the property and are deemed to be accurate and complete.
6. The appraiser will not disclose the contents of this report except as provided for in the Uniform Standards of Professional Appraisal Practice.
7. The appraiser must provide his or her prior written consent before the lender/client specified in this report can distribute this report (including the appraiser's identity and professional designations, and references to any professional appraisal organizations or the firm with which the appraiser is associated) to anyone other than the borrower; the mortgagee or its successors and assigns; the mortgage insurer; consultants; professional appraisal organizations; any state or federally approved financial institution; or any department, agency, or instrumentality of the United States or any state or the District of Columbia; except that the lender/client may distribute the property description section of the report to data collection or reporting service(s) without having to obtain the appraiser's prior written consent. The appraiser's written consent and approval must also be obtained before this report can be conveyed by anyone to the public through advertising, public relations, news, sales, or other media.

APPRAISER'S CERTIFICATION

I certify that, to the best of my knowledge and belief:

1. The statements of fact contained in this report are true and correct.
2. The reported analyses, opinions, and conclusions are limited only by the reported assumptions and limiting conditions, and are my personal, unbiased professional analyses, opinions, and conclusions.
3. I have no present or prospective interest in the property that is the subject of this report, and I have no personal interest or bias with respect to the parties involved.
4. My compensation is not contingent on an action or event resulting from the analyses, opinions, or conclusions in, or the use of, this report.
5. My analyses, opinions, and conclusions were developed, and this report has been prepared, in conformity with the Uniform Standards of Professional Appraisal Practice.
6. I have made a personal inspection of the property that is the subject of this report. If more than one person signs the report, this certification must clearly specify which individuals did and which individuals did not make a personal inspection of the property.
7. No one provided significant professional assistance to the person signing this report. (If there are exceptions, the name of each individual providing significant professional assistance must be stated.)
